### Notes

FSRT = Foundation Safety and Rescue Training

## The Best Deal in Kayaking Thursday Night Skills Sessions

Fee \$20.00 includes equipment

Pay \$100 for the full season of Thursday Night Skill Sessions.

Check the [website for program details](#).

At Annsville Creek Paddlesport Center each Thursday evening starting in June we offer skill sessions. Different themes are offered each week. Themes have included self/group rescue; rolling; keeping your boat on course; bracing skills; the forward stroke; family fun and more. In addition to the main theme of the evening, we often have kayak polo; on-water navigation practice; and night paddles. This is also a great opportunity to try out different boats, as the \$20.00 fee includes all equipment. Staff are available to assist and lead the program of the evening. Students can also work with each other, with staff offering guidance.
