Keep right at the toll booth and exit just after the toll booth. A light will be at the end of the ramp where you turn left. At the corner with the Home Depot sign on the right, turn left onto Route 6 East. Continue 3.2 miles and bear right keeping on Route 6. In about another 3.5 mile you will reach a traffic circle. Go 3/4 ways around the traffic circle, following signs for Route 6 East/Bear Mountain Bridge. Will reach the bridge at the 9 mile mark from when you got on Rt 6.

From the Bear Mountain Bridge turn right after crossing the bridge and follow Rt. 6 east, down a winding hill, approximately 3.8 miles. At the bottom of the hill you will see water to your right. To your left, a WW2-vintage tank will mark the entrance to Camp Smith. The entrance to the Paddlesport Center will be on the right, less than half a mile past the entrance to Camp Smith.
